A regional pediatric medical center, Shriners Hospitals for Children Northern California is committed to providing expert medical care to children with orthopedic conditions, spinal cord injuries, burns, and scars from any cause.

Supported entirely by private donations, all care is provided free of charge to the patient, patient family or third-party payer. Donations support Shriners Hospitals for Children in its mission to advance the care and rehabilitation of children through treatment, teaching and research. More than 90 cents of every dollar received from generous individuals is directed to patient care and research to positively impact the children who are recovering from serious injuries or living with congenital defects.
